

NorWest Sport and Community Hub

Who we are & what we do

Norwest Sport and Community Hub Incorporated (NWSCH) is a new Sport, recreation, and community focused organisation with the following vision statement

“To give residents of North-West Christchurch access to quality shared and multi-user facilities, play, active recreation, sport, community and social activities and services that are provided by organisations working together in an enduring partnership within the community”

We comprise a partnership of six sporting clubs & the YMCA as our founding members. Our membership base is approximately 2000 and we expect this to grow as more organisations join with us.

We have a passion for the Northwest of Christchurch spanning the suburbs of Bishopdale, Northcote, Strowan, Harewood, Papanui, Bryndwr, Casebrook and parts of Redwood to the north and Merivale and St Albans to the east.

We are aware that the Northwest is lacking in community facilities and resources, and we would love for you to join us in our mission to grow the number of these in our area. Our Board meets on a regular basis and is keen for any club/organisation or person who would like to be involved to contact us.
